1. The strongest thing there is, is a belief system. The belief system begins with Me and ends with Me, circular, except where deceived, tainted, scarred; not with My handprints.
2. My altogether lovely comes forth in the belief system of Me, systems not, hearts of My choosing who chose Me, My systems coming forth now to elevate and taint not themselves with self promotion, but My being Me in them that elevates all around them, all who will elevated be, by My word, My heart coming forth from/through/in/with/upon words, heartthrobs of only Me for My all around Me who are. I love you. Post this word, reticent not be. I love you.
3. Around you, all see, see Me, around Me; all of you; inside Me. I love you. My incubation comes, My leading you in the paths of righteousness for My/your namesake, My seed in you evermore sprouting and bringing forth much fruit in belief systems of only Me, My belief, in you, My words forming you in Me, Me in you. See what I have said.
4. Think it not strange the belief systems which come forth, emerge, to limit Me, limit Me, and drown Me out, drown out the voice of My savior in My house, My temples not made with hands. I love you. Think it not strange the source of demonic strongholds who see, do, motive, from not-My heart.
5. I love you.

I love you.

I love you.
6. Much contradiction coming.
7. I arise.
8. Much paradox-thought. Many oxymorons-thought, studied, and coming forth in not-Me, and Me. I love you.
9. See Me and let My belief system arise in My Priesthood of All Believers who arise and demoralized aren't but arise in Me and My belief in Me to the actuality of present real, reality real, the Kingdom of heaven seen, felt, experienced, and telt; now elaborate My altogether of My lovely, transcending time and space, rides of only Me. Humility required. Death in life, arisen, humility walking in, committed to, not man or institution. I love you. See all I have stated, delineated not, broadcast beginning; broadcasts beginning so soon, around corner, next stoplight, turn right.
10. My belief systems turns, taints not, My Priesthood of All Believers into mighty warriors of humility and prayer who **intercede, anoint, marry, bury, and raise the dead**, taking My beliefs, My heart is, into/unto man-thought, for womanhood, manhood to **arise in My godhead, gods of only Me (1), surrendered intimately, wholly,**

independently not; altogether one in Me, with Me, us being one. Choke not. I gave you My all, My who now think so constrictedly, constricting others with much teaching of My only-past, receiving not My future; already was. I love you. Take Me now and wed Me, My belief system, not martyrs of constraintists who taint all even in sincerity.

11. A price to pay for My altogether lovely of Me, I declare, **I proclaim today this day, to pay the price to know Me: humility, time, space and place for My words (2), My words in red to come forth from your lips (3), your pens, your computers and digitally soon, replicating Me and letting My beliefs become the word made flesh of which you are, My bread of heaven on earth, if/when surrendered to Me; not doing your own thing**, incarcerating My meekness which My power requires. I love you. But letting Me be Me and untainting Me in you to let Me free you to free be and free others from belief system constrained **by My who once were Me and forgot intentionally; and thinking they do Me service constrain and bestow honor on who they choose, not Me or My system, two tiers being. I love you.**

12. Think it not strange I talk/speak/address power/belief systems this day and forever not, catapulting you now who will believe and **open to My belief system**, of systems not of man's thinking and delineating limitations; but of My no-horizon-limited thinking that rolls all of My beliefs into you, every thought taken captive, **subject to five senses no more**; My fruit evolving and exuberancing, exciting the Me-ons which proclaim My Sabbath and rest in me, the work's already done.

13. See what I have said and love Me more. Love Me for it.

Love Me for revealing Me and believing in Me.

Be constrained not.

I am the Teacher. I am the One. I am One-ing My body, all, who will let Me.

Be constrained not for I am liberty, freedom, and constraints not I give/place upon My body this day.

14. **Declare the day of freedom this day from the constraints of man's belief systems and declare My Mighty Many coming forth at the crack of dawn yet, and earlier.** I love you.

15. Seest thou Me in these words; My love, My lover, My who I choose to implant Me into, My all given, surrendered, to believe as you choose, and accepting, receiving the consequences you will/do, every moment every day, as **I have meekly put Me in you to surrendered be to your love, choice yours.**

16. Believe in Me and the work I do/did you will do more in/with/through Me.

17. Love Me more, let Me speak. Get out your pen, deride Me not, decide to risk My stature in you to be My stature/ exist in My stature. My all be. Thank you. I love you.

18. Believe Me. Believe the word I send you this day. My who asks nothing in return, penning My heart day into night into day, the day coming when no one will work.

19. Receive not the mark.

20. Receive Me.

21. Receive My word this day.

22. **Receive My beliefs about you where you can receive My all about Me, being Me**, to all, worlds unknown, so ready to receive you. Limit Me not to your understanding but let Me give you Mine. I love you.
23. Proclaim, declare this word this day, this hour, this moment, My request. Thank you, Me. For My Mine, Me. Open and transparent, begging meekly, Me. I've given you My all.
